

## **Lunch Bunch**

St. Paul of the Cross School's **Lunch Bunch** program is offered to our Preschool and Prekindergarten half-day students. This program was created to give parents a chance to get one more errand done before pick up.

**Lunch Bunch** is from 11:30am-12:30pm every school day during the school year, except for 11:30am dismissal days. The students bring their own lunches and drinks and enjoy lunchtime with their buddies. After they finish their lunch, students are given the opportunity to work on special activities.

**Lunch Bunch** starts in August and ends in June. Parents pay on a monthly basis. The cost of **Lunch Bunch** is \$10 per day. Parents are asked to sign up and pay in advance for the upcoming month.
