GOAL: \$100,000

We invite you to participate in the
2023 Annual Fund Parent Appeal

Your support matters!

Dear SPC Families,

For nearly a century, St. Paul of the Cross School has provided a nurturing environment grounded in the Catholic faith, committed to our students' academic and spiritual development.

As members of the St. Paul of the Cross community, we share a common goal - to provide our children with the Catholic values of faith, prayer, and service integrated within an enriched, nationally-recognized academic environment. All efforts are made to keep tuition at reasonable levels to ensure this stellar and inclusive Catholic education is available to as many students as possible.

Last year, your generosity helped us raise \$140,000 in the Annual Fund Parent Appeal, directly impacting every facet of an SPC education. The Annual Fund helps us bridge the “gap” between tuition and the actual cost of educating a student. Whatever matters most to you — from academics to athletics to arts, and from investing in our faculty to campus maintenance and security — is made possible, at least in part, by the Annual Fund.

We are kicking off our 2023 3-week Annual Fund Appeal on February 14th, and the pledge card is enclosed for your convenience. Our goal is for every family to participate – 100% participation. Every gift is vital. Together, our gifts have a real and direct impact on the continued quality of St. Paul of the Cross School. Please go to www.spc-school.net and click on the Giving tab for further information and ongoing updates.

Thank you for your unwavering support of St. Paul of the Cross School!

With Sincere Gratitude,
