PARENT VOLUNTEERS

Parents we are looking for volunteers at our home games. We need concession, admission, clock and book. If you have a child participating in Volleyball please sign up on the link below. [SIGN UP Link.](#)

Baseball/Softball

Baseball and softball season is always a tricky season. The conference needs to know what schools will be having teams. I will be holding an informal registration. Please know if you complete this form it is not the actual registration there will be another registration.

Things to consider before you register. The season will be from April-end of May. Games will be at 4pm right after school occasionally later games during the week. There will be weekend games as well. Playoffs will be in the middle of May right around the school play.

If you are in grades 5th-8th and want to play baseball or softball please click the link below to let us know you want to play softball/baseball. [Pre Registration link](#)

VOLLEYBALL PARENT MEETING

Due to schedule issues I will not be hosting a volleyball parent meeting. You should have by now received a lengthy email asking you to read all the way through for the information. This email is in replace of the meeting and you are responsible of reading it to understand expectations,

At the end of the email you need to complete two forms. One of the forms is signing that you and your athlete read the email. If this is not received by Monday, January 27th your athlete will not be able to participate in volleyball until turned in. Click this link to read the information that was provided in the email.
