HOME GAMES

Our athletics is a vibrant program and it is because of our athletes and our supportive parents.

It is our athletic policy and the waiver you signed at the beginning of the season for your athlete to participate.

We need parents to volunteer at our home games for our four spots, admissions, concessions, clock and book.

High school spring sports are starting and high schoolers are becoming unavailable.

Please know your game cannot start until these are filled. Please click the link below to sign up for your home games.

PARENT ATTENDANCE

I have noticed at games that students do not have a guardian present at the game. According to our guidelines and the waiver you signed your athlete needs a guardian 18 years or older in attendance to participate in the game.

Home games we need parents to help at concessions, admissions and at the table. Thank you for understanding.
