**Saint Viator High School**  
**June 23-27, 2025**  
**12:30p.m. - 5:30p.m. Daily**

## Praise.

Each day we begin camp with prayer, song and a Scripture reflection before leaving for the daily service project.

Students are mentored by faculty, alumni, and current Saint Viator student leaders.

Service & Song ends with a family Mass on Friday afternoon.

## Serve.

Everyone at camp will engage in direct SERVICE to those most in need in our local community. In addition, campers who wish to share their vocal or instrumental musical gifts can choose to join the music ministry leaders through SONG.

Throughout the camp everyone will learn how and why service and song is at the heart of our lively and enlightened Catholic faith.

*\*\*Service & Song allows students to earn 20 service hours toward Confirmation or graduation requirements.*

## Live.

Service & Song camp is one way our community lives the **Vision** of Saint Viator High School.

"Deeply rooted in our Catholic identity, we strive to do everything well so that through us Jesus may be adored and loved. Guided by the Viatorian mission, all members of the Saint Viator family discern who God wants them to be, discover what the world needs, and transform the communities they encounter."

*Service & Song began in 2013 under the leadership of Fr. Corey Brost, C.S.V.*
